

CURRICULUM VITAE

December, 2008

Peter W. Kaplan, MB BS, FRCP

DEMOGRAPHIC INFORMATION

Current Appointments :

January 2004-Present: Professor of Neurology, Johns Hopkins University School of Medicine, Baltimore, MD 21205

Jan 1987-Present: Director, Clinical Electrophysiology, Johns Hopkins Bayview Medical Center

Personal Data:

Department of Neurology B-123
Johns Hopkins Bayview Medical Center
4940 Eastern Avenue
Baltimore, Maryland 21224
(410) 550-0630/Fax: (410) 550-0539
email: pkaplan@jhmi.edu

Education and Training (in chronological order):

Undergraduate:

International Baccalaureate/College Board/1969 Ecole Internationale de Genève,
Switzerland

Graduate - 1970-1977

M.B. (Bachelor of Medicine)/1977 St. Bartholomew's Medical College
University of London

Intercalated B.Sc. (Honors) Physiology/1974 University of London

Postdoctoral - Internship

House Surgeon General and Vascular Surgery,
North Middlesex Hospital, London N17, UK February 1978 - August 1978

House Physician Department of Medical Oncology
Department of Diabetes/General Medicine
St. Bartholomew's Hospital, London EC1, UK August 1978- March 1979

Residency

Résident Etranger Research Fellow in Endocrinology and Metabolism	Hôpital St. Louis, Paris 75010 Collège de Médecine des Hôpitaux de Paris, France	March 1979-March 1980
Medicine: Endocrinology/ Gastrointestinal disease/ Chest Medicine	The Royal Postgraduate Medical School The Hammersmith Hospital London N12, UK	May 1980-February 1981
Senior House Officer: Neurology	Whittington Hospital, London N19, UK	February 1981-Aug 1981
Resident: Renal/Endocrine/ Infectious diseases	Hôpital Cantonal, Geneva, Switzerland	August 1981-February 1982
Senior House Officer: Neurology	Whittington Hospital, London N19, UK	February 1982-August 1982
Neurology Residency	Duke University Medical Center, Durham, NC	January 1983-July 1985

Fellowship

Fellow in Clinical Electrophysiology/Epilepsy	Duke University Medical Center, Durham, NC	July 1985 - July 1986
---	--	-----------------------

Professional Experience:

Chairman of Neurology	Johns Hopkins Bayview Medical Center	July 1990-September 2005
Associate Professor of Neurology	Johns Hopkins University School of Medicine	May 1994-Nov 2004
Assistant Professor of Neurology	Johns Hopkins University School of Medicine	July 1987-May 1994
Associate Professor of Neurology	Johns Hopkins University School of Medicine	May 1994-December 2003
3rd Vice-President	Johns Hopkins Bayview Physicians, P.A. – Management Committee	August 1996-October 1998
2nd Vice-President	Johns Hopkins Bayview Physicians, P.A. – Management Committee	October 1998- Jan 2002

BOOKS:

1. EPILEPSY A to Z: A Glossary of epilepsy terminology: **PW Kaplan**,, Loiseau P, Fisher RD, Jallon P. New York: Demos-Vermande Publishers 1995.
2. NEUROLOGIC DISEASE IN WOMEN **PW Kaplan**, (ed.). New York: Demos Medical Publishing 1998.
3. IMITATORS OF EPILEPSY: **PW Kaplan**, RP Fisher (eds.). Second edition. New York: Demos Medical Publishing 2005.
4. NEUROLOGIC DISEASE IN WOMEN: **PW Kaplan** (ed.). Second edition. New York: Demos Medical Publishing 2005.
5. HANDBOOK OF EEG INTERPRETATION : WO Tatum, AM Husain, SR Benbadis, **PW Kaplan**. New York: Demos Medical Publishing. 2007.
6. NONCONVULSIVE STATUS EPILEPTICUS: **PW Kaplan** & F Drislane (eds). New York: Demos Medical Publishing. In Press 2008.
7. EPILEPSY A to Z 2nd edition: WO Tatum IV, **PW Kaplan**,, P Jallon Eds. New York. Demos Publications. In press 2009.
8. A PRACTICAL HANDBOOK FOR NEUROLOGY CONSULTS **PW Kaplan** & T Nguyen . Wiley-Blackwell, Oxford, UK due 2009.

Editorial Board

1998 - 1999	The Journal of Seizure Disorders and Epilepsy
2000 - Present	The Journal of Clinical Neurophysiology
2007 - present	Epilepsia

Special Editor

- 4/1999 J Clin Neurophysiol
Nonconvulsive Status: diagnosis, and outcomes
- 7/2000 J Clin Neurophysiol
Coma: Clinical and Electrophysiologic predictors of outcome

International External Reviewer

Neurology: A Queen Square Textbook Blackwell Publishing

Journal Peer Review

Ad Hoc: Epilepsia
Neurology
Medicine
Epilepsy and Behavior
Lancet Neurology
Annals of Neurology
Journal of Neuroimaging
Epilepsy and Behavior
Neurobiology of Disease
Social Science and Medicine
Journal of Clinical Neurophysiology
Expert Review of Neurotherapeutics
Journal of Neurosurgery, Neurology and Psychiatry
Clinical Neurology and Neurosurgery
European Journal of Paediatric Neurology

Boards, other specialty certification:

- 1974 BSc (Honours) Physiology, University of London
- 1977 Conjoint Royal College Examinations
LRCP-MRCS
(Licentiate Royal College of Physicians)
(Member Royal College of Surgeons)
- 1977 MB BS (London)
- 1981 MRCP (London) (Member Royal
College of Physicians)

8/1985	FLEX (Federal Licensing Examination)
3/1987	American Board of Clinical Neurophysiology (ABCN)
3/1988	American Board of Psychiatry and Neurology: Neurology
6/1994	American Board of Psychiatry and Neurology: Neurology with Added Qualifications in Clinical Neurophysiology

Professional Societies:

1977-Present	Licentiate then Member of the Royal College of Physicians, London
1982-Present	Royal Society of Medicine, London MRCP, FRCP
1983-Present	American Academy of Neurology
1985-Present	American Medical Association
1985-1987	North Carolina Medical Society
1987-Present	American Epilepsy Society
1998-Present	American Neurological Association
1998-2006	American Board of Clinical Neurophysiology ABCN
2004-Present	American Clinical Neurophysiology Board, Secretary, Treasurer, now Vice-President ACNS
2007-2009	Vice-President American Clinical Neurophysiology Society ACNS

RECOGNITION

Awards, honors:

1981	Concours du Collège de Médecine des Hôpitaux de Paris, Paris, France
1988 and 1995	Neurology Residents' Teaching Award Johns Hopkins School of Medicine
1994	FRCP (London): Fellow of the Royal College of Physicians, London, England

5/1996	Visiting Professor, Hôpital Cantonal Universitaire, Geneva, Switzerland
1996	Fellow American Academy of Neurology FAAN
1998	Fellow American Neurological Association Active Member ANA
